Strategic and detail-oriented front-end developer with 3+ years of experience and a proven track record in designing, implementing, and optimizing user-focused web applications. Adept at delivering dynamic and responsive user interfaces that drive engagement and improve performance. Quick learner with the ability to adapt to emerging technologies, collaborate effectively in team environments, and solve complex problems efficiently. Certified in Cloud Computing and Frontend Development, with a passion for creating scalable and innovative solutions.

RELEVANT SKILLS

- Exceptional communication and listening skills
- Proficiency with Git, GitHub, Visual Studio, and Linux CLI
- Expertise in React, Next.js and modern front-end frameworks
- Strong problem solving and debugging abilities
- Adept at Optimizing web application performance and scalability
- Skilled in developing reusable components to streamline development processes
- Database management with SQL

SKILLS: React, JSX, Nodejs, next.js, next.js, bootstrap, JavaScript, CSS, HTML,SQL

PROFESSIONAL EXPERIENCE

Fronted Developer, *Obtibri Limited*

2023 – 2024

- Led the development of responsive web applications using React, Web flow and next.js improving user engagement by 20%
 - Optimization front-end performance, reducing page load times by 25%
 - Developed reusable components, improving development efficiency and reducing time-to-market for new features by 15%
-

INTERNSHIPS

Fronted Developer Intern, *Comsoft Limited*

2023-2024

- Assisted in the development of web applications by working on frontend tasks using React
 - Contributed to debugging and troubleshooting code, ensuring smoother performance
 - Learning from my partners and cohorts, Observing team dynamics, Collaborating with the team on small projects, gaining hands on experience in cloud computing and DevOps processes.
-

EXTERNSHIPS

Cowrywise Student Ambassadors, *Cowrywise*

2024 - present

- Advocating financial literacy and promoting a savings culture among students.
- Planning workshops and interactive sessions to educate peers on effective financial planning and budgeting.
